

## Recommended hotels

The enclosed list shows hotel recommendations of the National Library of South Africa. The hotels are not very close to the Library, the venue of our meeting, but are said to be situated in safe areas.

For reservations please note the tariffs our local host negotiated (reference: ISBN/NLSA) and the contact details of the persons at the various hotels to support you with the bookings.

## Transport

As of June 2011, there is supposed to be a train (named Gautrain) from O.R. Tambo Airport (Johannesburg) to Pretoria. Alternatively, some hotels offer pick-up/drop-off guest shuttle service (see our local host's hotel list).

For public transport in Pretoria participants are recommended to use the shuttle service of their hotel (detailed information for each hotel see on the list) or take a taxi.

As Tienie de Klerk, the local organiser, wrote us:

“We sincerely hope that the Gautrain will be running between O.R. Tambo and Hatfield Stations in Pretoria by September - the recommended hotels are all situated in Hatfield. The stations are near the hotels, some walking distance, else the hotel shuttle will pick up & drop off delegates at the stations.

Trips to & from the Library are covered by the hotels, free of charge within a radius of 5 km (the Library is less than 5 km from the hotels), except for one hotel which is outsourcing its local transport to a travel company.

Travel by shuttle is the recommended, safest & easiest way, although buses and taxis are available. Hotel shuttles will also transport delegates wherever they want to be: free within 5 km radius, charged for more than 5 km.
